- FOR CONGRESS,
HON. SAMUEL J. PUGH,
OF LEWIS.
FOR JUDGE,
M. C. HUTCHINS.
COUNTY ATTORNEY,
GEORGE W. ADAIR.
FOR CLERK,
WILLIAM D. COCHRAN.
FOR JAILER,

FOR SHERIFF,

FOR CORONER,

FOR ASSESSOR,
J. DAVID DYE.
FOR SURVEYOR,
T. P. BULLOCK.

It is now in order for GROVER to amend one of his favorite aphorisms. It should read, "A Public Office is a Public Sugar Trust."

The Republicans of Powell county have instructed for Hon. Ed. C. O'NEAL of Mt. Sterling as a candidate for Congress from the Tenth District.

The revenue collected on wool is over \$8,000,000 annually. The Democratic statesmen propose to throw this overboard, while our receipts are monthly over \$6,000,000 less than our expenses.

The bill for the benefit of Canada and other foreign countries, which the Democrats are about passing, admits in competition to the American farmer foreign wheat, corn, oats, and wool. They must have gotten tired of the farmer vote.

BEFORE the inauguration of Mr. CLEVELAND all conflicts between the employer and employed were for higher wages, based upon the increasing prosperity of the country. The conflicts now are to prevent lower wages, which a declining prosperity makes inevitable.

If the Democrats are responsible for the many calamities of the past year they should be credited with a bountiful potato and other crops and the failure of crops in foreign countries.—Augusta Reporter.

Why, certainly; and we're willing to throw in the flies, the mosquitoes, the bedbugs and even the threatened locusts. There's nothing small about us.

DEMOCRATS argue that by making wool free they will advance its price and thus benefit the farmer. They also argue that the effect of free wool will be to make clothing cheaper. How clothing will be made cheaper by increasing the price of wool is a specimen of Democratic logic that no other fellow can distinctly understand.

THE outward flow of American gold to Europe reached its climax Saturday. Steamers sailing Saturday morning carried \$3,500,000 in coin and bars, making \$7,750,000 for the week, and \$61,736,325 since January 1st. Last week's shipments were larger than expected, and this week the drain upon the gold reserve is expected to be nearly as large.

IN St. Louis ALVIN REED, an A. P. A. leader, was sandbagged and robbed of the records while leaving the lodgeroom, and A. N. BRIDE, another A. P. A. leader, was held up, but escaped by flourishing a revolver. It is pretty near time that American citizens were finding out whether or not this is a free country, and whether Americans have any rights here that foreigners are bound to respect.

HERE'S A WAIL.

Hon. Henri Watterson Wails a Wail That Is Wailing.

Louisville Courier-Journal.
They do say they have been having a few more elections scattered round through the country, and the grins on the faces of the Republicans grow wider and wider, and their lips smack more loudly in anticipation of the return of the years of the Fatted Kine.

This is a dreadfully disagreeable sort of a year, anyway.

Weather and weather and elections and elections, until it has simply become exasperating.

It may be the making of blackberries, but it is tough on Democrats.

Let up on elections.

Boycott elections.

Blot elections out of the Constitution and swipe the word out of the dictionary.

Some people never know when to stop.

Nothing is more disgusting than carrying things too far—carrying elections especially.

There are thousands and thousands of folks in this country who are just plumb tired out at the thought of an election.

Say, what's the good of elections, anyhow?

They ain't so all-fired funny as some folks seem to think.

There are odds of things that are just as comfortable and a heap more amusing.

There's a hand-organ, for instance, or a school commencement, or a report of a ball game by the Louisville club, or Senator Stewart's silver speech, or even just a plain, unpretentious funeral, with a free hackride to the graveyard.

Any one of these can beat an election out of sight for real satisfaction, comfort, entertainment and pleasure.

Give us a hand-organ, give us a ball game, give us a funeral, give us liberty or death, give us anything provided you give us a rest on elections.

When people are bilious and dyspeptic, they need a laxative medicine. In such cases Ayer's Pills give perfect satisfaction.
